# GOODBYE SCOTTIE

Hey! He's graduating too! Unfortunately, our dear Scottie (John MacEwan) will be leaving us along with this year's graduates to enter the world of retirement.

Mr. MacEwan has been our head custodian since the beginning of Lord Elgin in 1970. In those five years, he managed to become one of the most popular and well-respected members of this school from the point of view of both students and staff. Mr. MacEwan has contributed to this school in many ways. He has been a highly competent custodian, our only dancing Santa Claus who has ever been dubbed HOT LIPS . . . and probably the only cutodian anywhere to have given a bag-pipe performance to the students while sporting a kilt. On a visit to Scotland, he met and was well received by Lord and Lady Elgin. It was great knowing you, Scottie. Lots of love and luck in the future.

# ORD ELGIN ACHIEVEMENT AWARDS

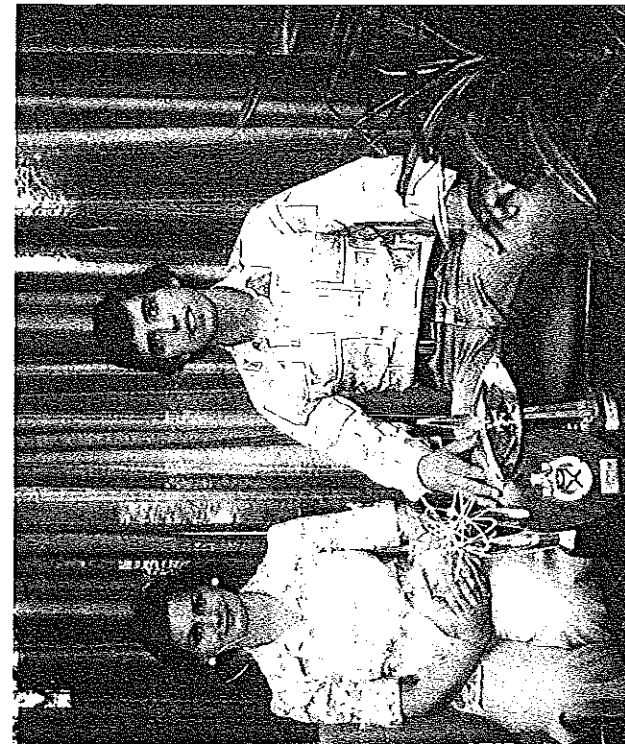

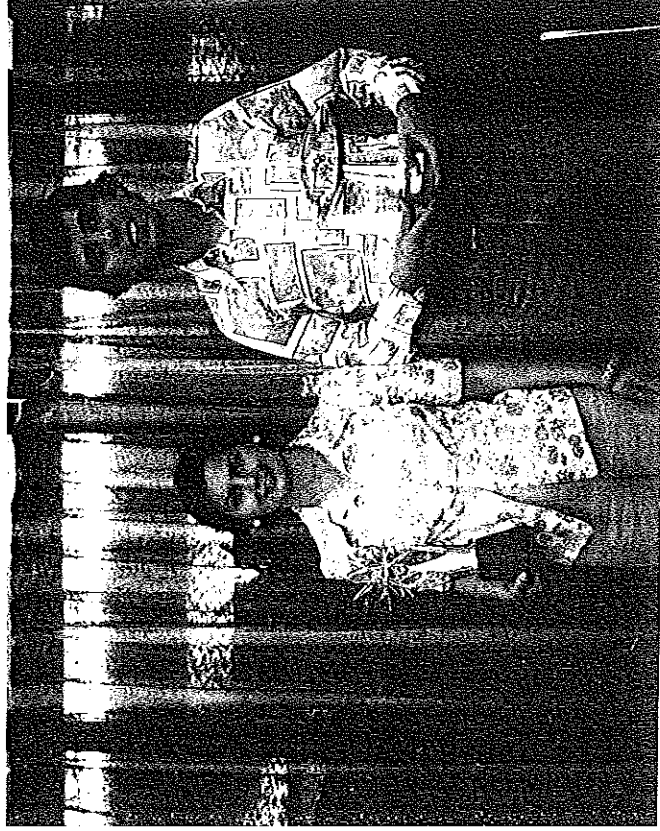

The Lord Elgin Trophies were presented to the school in the spring of 1973 when Lord and Lady Elgin visited the school. It was decided that these two hand crafted trophies be presented to the year 4 or 5 students who, through their involvement in a variety of school activities such as sports, music, drama, councils, etc. had contributed the most to the school. The choosing of these people would be made by their peers.

Therefore when a person wins this award they are given a great honour because to be judged as the greatest contributor of the school by one's peers is indeed a great accomplishment.
