IN MEMORY OF PAUL ROCHE

For what is it to die but to stand  
naked in the wind and to melt into  
the sun?

And what is it to cease breathing,  
but to free the breath from its rest-  
less tides, that it may rise and  
expand and seek God unencumbered?

Only when you drink from the river of  
silence shall you indeed sing.

And when you have reached the mountain-  
top, then you shall begin to climb.

And when the earth shall claim your  
limbs, then shall you truly dance.
