"We saw the sunset over the Okanagan River"

In January, a group of grade 13 students participated in an exchange trip with students in Summerland, B.C. The trip was sponsored by the Open House Canada program set up by the Federal government. Special thanks goes to Ms. Pauline Laing and Mr. Bryn Davies who organized the trip. We really enjoyed it !!!

Prom of 1978!

Kim Rank
(center right)
was a major or-
ganizer of the
'78 Prom and
helped to make
it the huge suc-
cess it was.

In the background, the band that played for the gala can be seen and to your right our former Prime Minister, Dan O'Driscoll, can be seen doing his imitation of the Incredible Hulk!

At Pavilion Three-June 10th

This year's Prom was held at Pavilion Three in Hamilton. The night was a tremendous success with a record number of people in attendance. Thanks goes to Kim Rank and the committee of organizers who made the Prom a terrific night!
