"The COOLEST  
CAT IN TOWN"

**Activities**

**1978**

# Lord Elgin's Theatrical Society

Presents . . .

## The Fantastic

A new theatre group, named L.E.T.S., was formed this year and the result was a tremendous stream of productions from the beginning to the end of the year. Seen here are shots from the mid-winter production of "Diamond Cut Diamond", in which two captains are competing for the same lady's hand in marriage. The lady (played by Jackie Nicholoff) decides that the first one who leaves her estate will lose her hand in marriage. The two captains try to trick each other into leaving the estate first. One of L.E.T.S. successful plays.

# Season of '78

On the same bill as "Diamond Cut Diamond" came "Trial by Jury", a delightful Gilbert & Sullivan musical about a jilted bride who is suing for a breach of promise. In the end we find that the judge knows nothing about law and decides to marry the bride!

Clockwise from the right; The judge sings his song; the jilter and the usher have a dance; the bride pleads her case to the judge while he falls in love; another victim of a fickle man.

L. E. T. S. Tops It Off with . . .

## The Coolest

And to finish the year off just right L.E.T.S presented "The Coolest Cat" in town, a musical take-off on the fifties with a bit of the seventies mixed in. The play starts off with a good old fashion rock song and we meet Junior, the son of the high school principal. Junior wants to become a rock star but his father is worried that he will disappear like the principal's brother did when he was a star in the fifties.

# Cat in Town

ABOVE: the discovery of Billy Dee.  
BELOW: a little electricity is applied to wake him.

Well, Billy Dee Bumpers is not dead after all for they find him frozen in the air conditioner at the school which he had climbed into twenty years ago when he was mobbed by his fans. They manage to thaw him out and get him adjusted to the seventies.

To the right is the mad doctor and his assistant who manage to bring Billy back to life. Everything turns out right and along the way there were laughs for everyone. The actors and backstage put a great deal of effort into the play and it showed in the final production!

# Photography Club

The photographers of this club have been great this year and who would know better than we, the Yearbook Staff. This yearbook is as much their creation as it is ours for the photos in this book are mainly from the photography club. Special thanks goes to Miss Martin, the staff advisor who must have broken the Guinness World Book of Records record for the longest no. of hours spent in a dark room! !
